- in gratitude for the officers and members of the San Diego Local Section - host Section for the 258th National Meeting, the divisional program chairs and symposium organizers, and ACS staff; and
- acknowledging Bonnie A. Charpentier’s service as ACS President and presiding officer of the Council.

Highlights from Committee Reports

Nominations and Elections

The Committee on Nominations and Elections solicits Councilors’ input of qualified individuals for President-Elect and/or Directors for future consideration. Suggestions can be sent to nomelect@acs.org.

Ballots for the 2019 fall national election will be distributed starting on September 30th, with a voting deadline four weeks later on October 25th. ACS members eligible to vote and with an email address on file will receive an electronic ballot with the option to request a paper ballot. Those members with no email address on file will be sent a paper ballot with the option to vote electronically. The ACS election vendor, Survey & Ballot Systems, will send three email reminders during the voting period to those who have not voted as of the reminder dates. N&E encourages all ACS members to vote for President-Elect and the Constitutional Amendment. Election information may be viewed at acs.org/elections.

Budget and Finance

The Society’s 2019 financial performance through July 31st yielded a Net from Operations of $30.1 million. This is $10 million favorable to the Approved Budget, and $1.7 million less than the same period in 2018. Total revenues are right on budget at $338 million. Total expenses are $308 million, which is $10 million favorable to budget.

The committee considered two 2020 program funding reauthorization requests, and on its recommendations, the Board subsequently approved funding for the ChemIDP and the International Student Chapters Programs in the 2020 Proposed Budget.

The committee considered new program funding requests for 2020 as well. The Board subsequently approved funding for the Green and Sustainable Chemistry Education Resources pilot for inclusion in the 2020 Proposed Budget.

The Society is expected to end the year in compliance with each of the five Board-established financial guidelines. Additional information can be found at www.acs.org, at the bottom of the page, click ‘About ACS’, then ‘Financial’.

Petitions to Amend the Constitution and Bylaws

New petitions to amend the Constitution or Bylaws must be received by the Executive Director & CEO no later than December 4 to be included in the Council agenda for consideration at the spring 2020 meeting in Philadelphia. Contact the Committee on Constitution and Bylaws with any questions or requests for information at bylaws@acs.org

Actions of the Board of Directors

*The Board’s Executive Session*

At this meeting, the ACS Board of Directors focused on a number of key strategic issues and took several related actions.

*The Board’s Committees*

The Board received and discussed reports from its committees on Budget and Finance, Professional and Member Relations, Strategic Planning, Executive Compensation, and Pensions and Investments, as well as the ACS Governing Board for Publishing, the Task Force on the Future of Meetings, and the Society Programs Globalization Board liaison. In particular,

- On the recommendation of the Committee on Professional and Member Relations, the Board voted to approve the Society’s nominees for the 2020 National Science Board Public Service Award and the 2020 Tang Prize in Biopharmaceutical Science.

- On the recommendation of the Joint Board-Council Committee on Publications and an Editor Selection Committee, the Board voted to approve the appointment and reappointment of editors-in-chief for ACS journals. Their names will be announced once they have been notified and practical arrangements for their service to ACS have been finalized.

- On the recommendation of the Society Committee on Budget and Finance, the Board voted to set the advance member registration fee for national meetings held in 2020 at $505 – this

amount is equal to the 2019 fee, adjusted for inflation – and to approve or reauthorize several program funding requests.

Executive Director and CEO Report

The Executive Director/CEO and his direct reports provided updates to the Board on the activities of Chemical Abstracts Service (CAS) and the ACS Publications Division. He offered updates on issues relating to the ACS Core Value of Diversity, Inclusion, and Respect; the current status of Society membership; ACS financials; initiatives associated with the International Year of Periodic Table; and upcoming events and activities. As part of his report, he invited the Executive Vice President for Scientific Advancement to lead an informal discussion on key issues for that division.

Other Society Business

- The Board heard reports from members of the Presidential Succession on their current activities as well as those planned for 2020, particularly the presidential symposia and endorsed symposia for this San Diego meeting.

- The Board liaison for globalization provided a summary of a recent Board survey and received additional feedback from the Board on the globalization vision for Society programs. The goal here is encouragement and expansion, where appropriate, of existing successful international activities and initiatives, as well as evaluating current products and programs; exploring additional options and opportunities; and advising the Board on the assembly of a coherent and balanced program portfolio appropriate to the globalized ACS of the twenty-first century.

- The Board received a preview of recommendations from the Committee on Strategic Planning for process improvements focused on streamlining the ACS strategic planning process, including an adjustment of the cycle time; inclusion of an analysis of professional association market dynamics; and concentration on only the highest-value elements for the Strategic Plan.

- The Board received its customary extensive briefing from its Committee on Executive Compensation. The compensation of the Society’s executive staff continues to receive regular review by the Board.

- The Board received a status update from the Task Force on the Future of Meetings. The task force has been charged with performing a “deep dive” on the current portfolio of ACS meetings and conferences, identifying current offerings, evaluating governance and staff support structures, revenue streams, financial targets, and business models, and recommending actions that will ensure the sustainability and future relevance of that portfolio.

- The Board also held a discussion with members of the executive committee and staff leadership of the Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) on the vision, mission, and structure of SACNAS. Various components of the recently signed Chemistry Enterprise Partnership agreement were discussed, emphasizing the shared overarching objective of promoting and achieving diversity in STEM. The Board agreed to the

appointment of a joint ACS-SACNAS task force charged with developing additional short-term goals, evaluating continued partnership potential, and developing long-term goals.

The Board’s Regular Session

The Board held a well-attended interactive regular session on Sunday, August 25, that featured the work done by the Task Force on the Next Generation of the ACS leadership program portfolio as well as a celebration of the tenth anniversary of the ACS Leadership Development System.
